Verlin,

You're a very fantastic person and I love you so dearly. I love the bus and I love you and I'll always be around. There is not many people left around like you and you're with your family and you're good looks. I wish you all the best and happiness in the world. Good luck.

Love, Susan Walker

Verlin Mathis,

Did you ever expect that one would be as lucky as me and use your name as Writer? Well, it's happened now!

Verlin, it has really been a pleasure to know you! Your since of humor is so fantastic that you are an enjoyable person to be around.

Verlin, you have an awful lot of drive and dedication — and that's good. It is really nice to see the concern you have for the things you do. Your willpower is good — and you are really nice to work with.

Keep up the good work! And, by the way -- your hand writing is good. It isn't necessary for you to retype your work — I only for me to type it!

Have a good summer — and go to the college of your choice.

Take care,

Madame Kaygod

Verlin,

You are a sweet crazy person. Remember all the fun on the bus and all the things you get all the things you want in life and always be around.

Love, Janet Parker

Remember Coach Webb's class world history — sometimes it was tough but most of the time it was fun. Well it's finally over and I'm easy. Byron W. Ferguson III (Billy)

Verlin,

It's been fun knowing you this year! I hope you always get what ya want. (Don't do anything I wouldn't do!)

P.S. You're a real sweet person

For Christie

When the sun is bright and your sweet and loving
And the sap in the trees begins to drinking your booze,
Remember me and the fun we had
Especially when we were being bad
But what the HELL, the world is yours
We've lived the life of being Seniors
But there's something I want you to remember
Year after Year, January through December
Remember this until the very end
Even though we are only "Dust in The Wind"
Verlin, I will always be your loving friend!

Kisses and Hugs
Love ya,
Me.

P.S. Experience is the only thing
that gives us the test before
teaching us the lesson!

1977 PCSHS Cheerleaders: Mary Briggs, Sarah Palmer, Becky McGugin, Lisa Ramsey, Janice Klement, Dana Rodgers, Lou Bryant

Putnam County Senior High owes much to our cheerleaders. Far from being "social climbers", these nine young ladies lead the school in keeping the spirit. Every summer our PCSHS cheerleaders participate in an annual cheerleading camp. They learn new cheers, improve old ones, compete with cheerleaders from other schools across the state, and make new friends. This summer the camp was held at Tennessee Tech.

FRENCH

There are valid reasons for the existence of the French Club-Le Cercle Francais! To have our own club enlivens the study of French as it provides opportunities for many enjoyable features of language study, songs, slides, a very valuable part of language education. How thrilling it is through the medium of our Cercle Francais, to find out that we can really understand some, most, or a large part of what a visiting Frenchman is saying.

I will long remember you in sheer amazement—
Amazement at how Mrs. Jones let you stay on the staff even though yours was the silliest page in the paper. you always seem to work so hard at putting out such a senseless page.
